

Crush Live Call-ins #563 5-5-26

Hand 1: (Non Hand call) Bart starts by asking Lex O how he started a private game within a casino, why he started (Euros) and what it's like. Then they discuss the following situation where LexO was forced to rule in his own game..

Seat 1 puts his cards face down on the table like he was mucking his hand. Seat 7 chimes in and says something like "You don't have anything on the top board" to S1. S1 then looks and sees that he has T7 for a straight. S6 is pissed off and asks Lex O for a ruling since he runs the game. Bart and LexO discuss.

Hand 4: (non Hand call #2)

SETUP: HG in Los Angeles.. 5/5 \$600 cap

On the river the board reads KQJTx. OOP of position bets \$50 and MP throws out a \$100 chip but says nothing. The dealer rules this a call and OOP tables 8c 7c (8 high). MP then pushes his hand face down on the table and the dealer takes the cards and puts them on the top of the muck. MP is confused and says "why are you mucking my hand?" Apparently, MP thought that he had legally raised to \$100 and that OOP was showing that he had nothing and surrendering. OOP insists that MP mucked his hand and that he should win the pot. MP then takes his cards off the top of the muck (clearly his two cards) and tables AJ for a straight. Floor is called, then a supervisor who makes a ruling that MP's hand is in fact dead and OOP is awarded the pot.
