

Third Man Walking No. 135: "Live Cash Games In the Near Future"

Your correspondent thinks about how live poker might look in four years. Then, he reviews a spewy \$5/\$10 session.

The [Poker.org](#) interview doesn't seem to be out yet. I'll post it on social media when it's published.

[Here's the vlog I mentioned that featured the dealer error.](#) I can't find the Reddit thread where it was discussed.
