

Third Man Walking No. 146: "Living Through Variance"

Your correspondent discusses living through variance as a major challenge to playing poker professionally. Along the way, he talks about getting insurance as a poker player, and why so many pros seek out side hustles. Then, he wonders about how he's playing after a 5/10/\$20 session.

0:15 Fighting through variance

16:35 \$5/\$10/\$20 session
